

U S ARMY DRIVEN OUT OF TUNISIA

Buried In Cameron

SGT. ALEX BAKER

Funeral services for Sgt. Alex Baker accidentally killed while on duty with the armed forces in Vashon Island, Oregon, Feb. 3, 1942, were held in Cameron Friday, February 12, 1943, from the Green Funeral Home with interment in Oak Hill Cemetery.

Sgt. Baker was among the first men to be inducted into the armed services from Mailam county and was a model soldier.

The funeral was an impressive military burial. A special detail of men from Camp Hood arrived in the city early Friday and took part in the services at the chapel and at the Cemetery observed the military ritual with taps to close the service. A Chaplain from Camp Hood delivered the funeral oration.

FINANCIAL STATEMENT ISSUED BY THE CITY

A comprehensive statement of the financial condition of the city of Cameron, compiled by Dan Tyson, city secretary and treasurer, has been issued and is appearing in the current Thursday issue of The Cameron Herald.

As might be expected the statement is a typically efficient Tyson job. The tax payer and all who may be interested will find this statement complete and understandable.

Mr. Tyson, the workhorse of the city administration, comes through as usual with a bang up job of revealing the city's true condition. The statement is published in double page form, indicating the city government is sparing neither newspaper space nor time to give the people the information to which they are entitled.

Cameron has the lowest bonded debt of any city in the United States on a comparable population basis.

Comfortable balances are shown in all the funds with the general fund clearly sustaining all current expenses and maintaining a good balance. Among the encouraging features is the retirement of indebtedness and the city is facing the future with strength and both taxing and bonding capacity to meet any growth need.

It is a compliment to Mr. Tyson and the city is most fortunate to have his services. Reconciliation with all depositories show that the city's accounts are in correct balance and all money, a multitude of accounts kept correctly and plainly so that the people may know at all times the exact condition of their city.

The work of the city secretary's office has more than tripled in the past few years. Not only has the regular routine work increased but the secretary must furnish all reports touching the operation of the city to the Federal Government. These reports are numerous and complicated and are required of Mr. Tyson almost daily.

Mrs. J. L. Clinton left Thursday for a visit with a sister in Oklahoma and will be joined there by a sister from Houston. She expects to be away for ten days.

Morris Eplen, who has been attending North Texas Agricultural College is home visiting his parents and friends before reporting for the Air Corps Monday, February 22.

HORACE WHITE DEAD AT MILANO HOME

Funeral services for Horace White, widely known Milano citizen, were held there Monday morning.

Mr. White died from a heart attack. He was found dead in a pasture near his home where he had gone to look after livestock, it was said here.

News of his death came to Cameron Sunday but few here know of his demise until Monday morning.

Mr. White was born and reared in that community. He was a member of the Milano School Board and was prominent in community life. He was a livestock owner and operated extensively in that section.

He is survived by his widow who was the former Miss Louise Morgan of that community.

Late information brought to the Herald at 3 p. m. said Mr. White's body was found in the pasture by Alfred Smith and Charlie Martin. When Mr. White's horse came to the house with no rider the alarm was given. Mr. White suffered a heart attack and was dead when found. It was said he died between 6 and 7 a. m.

Funeral services were held at 11 a. m. Monday morning at the Methodist church in Milano with Rev. William Shirley conducting the services. Interment was made in the Milano cemetery. Mr. White was 63 years of age.

Surviving are his widow; two daughters, Mrs. Frances Hooker of Louisiana and Mrs. Mary Baggett of Dallas and one grand daughter, Mary Frances Hooker.

Cameron Gets Internal Revenue Resident Agent

Cameron has been made a district branch of the Department of Internal Revenue and W. J. Ott, formerly of Waco and for the past several months stationed in Temple, has moved to Cameron.

Mr. Ott has set up offices in the old state bank building along with the city administration offices.

The establishment of the branch and the assignment of a resident deputy collector was regarded here as a highly welcome development. Mr. Ott will devote his time to assisting income tax payers and other tax payers to the federal government, prepare their forms and to advise with them regarding all phases of the tax problem.

Mr. Ott said that tax payers who come to him now may make progress by completing their returns and will not have to pay taxes or send in their returns until March 15.

Mr. Ott hopes to move his family here in the summer. He likes Cameron and the people here extend to him a cordial welcome.

MRS. MONNIE SCHLEIER IS BURIED IN CAMERON

Funeral services for Mrs. Monnie Schleier, 46, were held at 11 a. m. Monday, February 15, 1943, from the funeral chapel of the Marek-Burns Funeral Home, with interment in Oak Hill Cemetery and Rev. C. W. Sanders, Pastor First Baptist Church, conducting.

Mrs. Schleier died in the Cameron Hospital at 6 a. m. Sunday, February 14, 1943. She suffered a stroke several days prior to her death and was taken to the hospital for treatment.

Mrs. Schleier was the wife of P. M. (Shad) Schleier of the Peter Company here and was reared at Minerva. Before her marriage she was Miss Buchanan. Mr. Schleier is manager of the Peter Company and was with the company here some years ago.

When he returned last year he was in Houston and had been engaged in business there.

Pall bearers were: F. L. Gregory, Leo Laake, L. F. Slama, Guy Chandler, V. Lesikar and A. K. Gurecky.

Mr. and Mrs. Phillip Russell of Dallas and George Hefley of Houston were visiting in Cameron over the week end.

Pvt. Glenn Flinn Gets Tyler Honors

PVT. GLEN FLINN GETS TYLER C. C. AWARD

Climaxing the annual Tyler Chamber of Commerce banquet Tuesday night was presentation of the annual T. B. Butler award to the citizen selected as having performed the most outstanding service to Tyler during 1942. Pvt. Glenn Flinn, (right), outgoing president of the chamber who is now stationed with the army air forces at Randolph is shown as he received the award, a gold watch, from S. P. Burke, 1939 recipient of the award, who performed that duty in the absence of R. W. Fair, 1941 recipient.

Served East Texas

In calling attention to the service rendered to Tyler last year by Flinn, the outgoing chamber of commerce president, Burke pointed out that although he is not a native Tylerite his devotion and extensive time spent in civic service were so outstanding that his selection for the award was not surprising.

"Not only has he worked for the welfare of Tyler, but he also worked untiringly for the good of all East Texas," Burke declared.

Flinn, 36, is a native of Cameron, where he graduated from Yoe High School, after which he attended the University of Texas, specializing in business administration. After leaving the university he worked for a time in the advertising department of the Cameron Herald, then joined the staff of the Texas Power & Light Company there. He came to Tyler in January, 1932, and entered the sales department of the local T. P. & L. office. He was transferred to Dallas in 1933 and returned to Tyler in August, 1934 as sales manager.

He was elected president of the Tyler Junior Chamber of Commerce in 1936 and was winner of the United States Junior Chamber distinguished service award the same year. He was elected president of Tyler Kiwanis Club in 1940. He served as Smith County chairman of the drive to raise funds to fight infantile paralysis in connection with President Roosevelt's birthday last year, served as chairman of the Smith County War Price and Rationing Board; a member of the city administrative board; director of the chamber of commerce and Kiwanis Club several years; director of the East Texas Fair Association; vice president of the Order of the Rose; vice president in charge of conventions and entertainment of the chamber of commerce, and president of the chamber in 1942.

Is Army Volunteer

He volunteered for the army air forces on Dec. 15, 1942, and was assigned to the adjutant general's office of the Gulf Coast Training Center at Randolph Field, San Antonio, carrying on clerical duties. He offered his resignation as president of the chamber upon entering the service, but the board of directors refused to accept it.

In completing the presentation, Burke called attention to the fact that the award is going to a young man who voluntarily wants the uniform of our country.

Accepting the award, Flinn declared that he felt unworthy of the honor, but accepted it with the understanding that he would try to do something worthy of it in the years to come. He said he felt that he should point out that his company gave ungrudgingly the time he spent in civic affairs.

"I hope the war can be brought to a successful conclusion within a short time and that I can return to Tyler and do something in return for this honor," he concluded.

Keeps 'Em Flying

SGT. WOODROW SCHEGUIT

Sgt. Woodrow T. Scheguit has enrolled in the ranks of that army of experienced mechanics who Keep 'Em Flying.

Sgt. Scheguit volunteered for the Army Air Corps as a mechanic in 1941 and reported to Ellington Field where he received his first training.

From Ellington he went to Bakers Field in California where he is now stationed.

Sgt. Scheguit is the son of Mrs. Annie and the late Tom Scheguit of Marlow.

Sgt. Scheguit was born and reared in the Marlow community and is a graduate of Yoe High School. He has made good progress and likes his work and is succeeding in making the air corps a good mechanic.

K OF P CHANCELLOR TO BE HERE FEBRUARY 22

Dr. G. H. Ater, Grand Chancellor of the Knights of Pythias of Texas will visit the local lodge here on Feb. 22, and among other things will deliver certificates of merit and military service to 48 members of this lodge now in the armed forces through their mothers and wives.

This is an open meeting and all members are urged to be on hand to greet the Grand Chancellor. A program has been arranged and refreshments will be served. Wives, sweethearts and sisters of the members have a special invitation to attend. Time 8:30 p. m.

FIRE DAMAGE LIGHT GREEN & BOEDEKER

Fire at 2:30 a. m. Thursday in the Green & Boedeker store here was confined to slight damage not to exceed several hundred dollars as firemen answered promptly and controlled the blaze.

The fire was thought to have originated in several cases of matches which exploded and created a difficult problem for the firemen for a few minutes.

Leland Green, Sr., said several hundred containers of apple butter were broken in the fight to extinguish the flames. Water damage was also slight.

Mr. Green was deeply indebted to the firemen for their prompt work.

LEGION BIRTHDAY PARTY MARCH 16

The American Legion Post will hold their annual birthday party on March 16.

This year it will be held at the USO instead of the Legion Hall.

There will be a barbecue before the entertainment and the speaking.

Legionnaire John Lee Smith has accepted an invitation to be the speaker of the evening. There will also be other prominent legionnaires from over the state. We hope to have entertainers from Camp Hood with us this year.

A large percent of the money derived from the party this year will be donated to the recreation fund of the McClosky Hospital at Temple. The general public is invited and urged to attend. We feel that this year we are bringing a program that will be a benefit to all.

Baptist Plan Party For Visiting Army Men From Camp Hood

The First Baptist Church of Cameron is sponsoring a party every Saturday night for the benefit of the service men. The party will start promptly at 8 o'clock. All girls who are interested in this entertainment be on hand every Saturday night at 8 o'clock and help entertain the soldiers. That is the least you can do to help the men who are giving their lives for us.

A jolly good time is promised every-one and refreshments will be served each time. Interesting games will be played and old time songs will be sung. Bring any kind of musical instrument with you as some of the soldiers would like to use their talent with them. Let's all come and help entertain the soldiers the right way.

Mrs. Lou Meyers is reported quite sick at her home. Her many friends wish for her a speedy recovery. Her daughter Mrs. Von Rosenberg of Austin, is here attending her bedside.

GEN. ROMMEL GOES TO BORDER ALGERIA

The American army in central Tunisia has been driven across the border into Algeria, said a noon broadcast.

General Rommel, German tank specialist and one of the most resourceful of all the Nazi military leaders, had driven 65 miles in his rout of the American forces and was within 14 miles of the border of Algeria at noon Thursday.

The American forces continue to retreat and are seeking the safety of the hills. Whether the campaign was an ill advised action was not determined. Many of the American soldiers have been killed and practically all the equipment with which they might hope to cope with the Germans was captured.

In Washington Secretary of War Stimson declared the results of the battle to be most serious and may handicap for some time the plans to go head with a general offensive.

General Rommel was going ahead with a defensive of his own. In London grave fears were expressed over the turn of events. The British 8th Army was slow getting into action to aid the Americans and the British 1st army was imperiled.

London believed that General Rommel might be attempting a break through of the British lines and to trap and destroy an entire British army.

Radio commentators were attempting to placate the American people by explaining away the defeat. At the same time they were criticizing the Axis for minimizing their losses. The truth is the Americans have suffered a most serious defeat, the first such defeat in the history of this country.

A few more days of this and a victory will be needed to stay the wrath of the American people.

The Red army was smashing ahead. No speeches were made in Russia over the past month. The Germans were suffering enormous casualties.

The American loss of life in Tunisia has been heavy also.

With Military Police

PVT. WALTER G. MAREK

Pvt. Walter G. Marek of Burlington is now stationed at Camp Hood and under the Department of the Provost Marshal, Military Police.

Pvt. Marek visited Cameron last week end with a large number of soldier guests from Camp Hood and was on duty here.

He entered the army in September 1942. At the time he was inducted he was in Dallas and with the Murray Gin Company. He went to Camp Wolters at Mineral Wells for his first duties and from that point was transferred to Camp Hood near Killeen, largest military establishment in the world.

Pvt. Marek was in Cameron Tuesday on a three day leave from the Camp and was visiting friends. He is the son of Mr. and Mrs. Walter Marek, Sr., of Burlington. He attended school in Rosebud.

Pvt. I. W. Luce of the Douglas Air Force visited his mother, Mrs. Debra Luce of Cameron this week. He returned to his camp this morning.

The RAF was over Germany again last night without the loss of a single bomber. The Allies were bombing the Japs in New Guinea in the most violent air attacks of the war.

FDR CALLS MEETING OF MILITARY STAFF

President Roosevelt called a meeting of his military staff in Washington Saturday following his verbal attack on the Axis before White House correspondents Friday night.

The President said the United Nations will not stop until our soldiers march down the streets of Berlin, Tokyo and Rome.

There is only one way to get there and that is to fight. The country is well sick of this sort of thing. A little action would set everything in order. More blows will be delivered over beer mugs this afternoon than has been struck by conferences in ten years.

The Red army is fighting. No conferences were held in the bend of the Don river Saturday morning but several towns were taken by the Reds and 350,000 Nazi have been cut off and surrounded. The Reds are asking no quarter nor giving any.

In this country every radio commentator is trying to assure the American people the government intends to fight.

On a small hill somewhere on the Tunisian battle line in North Africa the Allies repelled an attack.

CHANGE ANNOUNCED IN CREAMER BUS SCHEDULE

S. A. Cottle of the Milam Hotel announced a change in the Creamer Bus Lines schedule in and out of Cameron. Bus going west to Temple leaves Cameron at 5:53 a. m.; 12:30 p. m. and 5:45 p. m.

The bus going east to Hearne leaves Cameron at 11:45 a. m.; 3:30 p. m. and 8:30 p. m.

We will appreciate any news item.

Few Registrants Are Affected by Work or Fight Regulations

Few if any registrations under Local Board No. 2 will be affected by the recent so called work or fight order from the Manpower Commission in Washington.

The reason is simple. The local board does not have registrants in these occupations for the reason there are no such occupations in this area.

Many registrants have asked the question about their status. Ordinary business occupations have not been defined as yet, except in previous memorandums. The status of a clerk, service station operator or small business man in the average town, so far as known is not affected, however regulations are constantly changing. It remains to develop whether the Selective Service System will give local boards more definite instructions.

Opposition Assured In School Election

Opposition was assured Saturday in the coming school election.

As the full import of the outrageous scuttling of the ballot box dawned on the people indignation was expressed in many quarters.

Mr. Quisling was not expected to play any part in the election. The little Quislings usually do that. After sundown on election day big Quisling begins to stir about.

Candidates sufficiently alert and possessing courage will champion the cause of the people.

W. W. Caddell of Buckholts was a visitor in Cameron Monday. He farms one of the best tracts of land in the county with a tractor and has no help.

FORMER RESIDENT OF CITY DEAD IN WACO

Mrs. Laura Williamson, 81, a Confederate widow and former resident of Cameron, died in Waco Friday, February 12, 1943.

Funeral services were held in Waco Saturday afternoon at 3:30 o'clock and the body will be brought to Cameron for interment in Oak Hill Cemetery at 5:30 late today.

The Marek-Burns Funeral Home in Cameron will direct funeral arrangements.

Mrs. Williamson lived in Cameron for many years. She was the mother of the late Mrs. Kirby Boles.

News of the death of Mrs. Williamson reached Cameron through Mrs. Susie Sloan, daughter of deceased

who resides in Waco. Another daughter, Mrs. Dwight Henderson of Corpus Christi, survives.

New Ration Book Is Discussed Here

Ration Board members heard Joan B. Singleton of the OPA discuss the coming registration for Ration Book No. 2.

School teachers generally will assist in the registration. Chas. M. Hicks, county superintendent, has been very active and helpful in the registration campaigns.

Mr. Singleton came to Cameron from the District office in Houston. Teachers present last night were given much valuable information. It is certain that registration will follow the usual lines.

If you have a news item phone, 282.

Shirley McLean Writes He Is Recovering

Shirley McLean, wounded in action son Friday, February 12. He was in the battle of New Guinea is now recovering in a hospital there.

Mrs. J. M. McLean, mother of Shirley, received a letter from her wounded son on January 16. He said he was doing fine and asked his mother

not to worry about his condition. Shirley will be able to tell a thrilling story when he gets back home.

The Baptist YWA will meet tonight at 7:30 p. m. in the home of Mrs. Willis Dismukes. Miss Gloria Halberdier will have charge of the program. Every member is urged to be present as a very nice program is expected to be presented.

"QUALITY PAYS EVERY TIME!"

Red Chain Feed Store

F. S. CRAFTON, Owner. CAMERON, TEXAS

LONE STAR LINES tap 75 different gas fields to give you a dependable supply. This typical southwestern oil and gas field, as far as gas service is concerned, is no further away from you than the valve on your gas appliances.

... AND THE CUPBOARD WAS *full*

Looking ahead is one of the qualities which distinguish skilled homemakers. For instance, in early summer they look ahead to winter and process tender, fresh vegetables and fruits so their cupboard will be full and ready to meet the family's winter food needs.

Likewise, the management of a natural gas service must look ahead so its cupboard of gas reserves will not be bare when the tremendous demands of an extremely cold day fall upon its facilities. This is why Lone Star Gas Company maintains a large geological and land department which works to keep Lone Star reserves well ahead of any possible demand.

It is why Lone Star's 4,800-mile pipeline system, which reaches into 75 different gas fields, is *interconnected*—interconnected so that if one line goes out gas can be re-routed to prevent an interruption of service.

It is this "looking ahead" on the part of the company that gives Lone Star Gas customers the *extra* value for the small amount—averages about 14 cents a day—they pay for gas service. Whether you use Lone Star Gas in your home, business or in a factory working on war materials you can depend upon it today, tomorrow or next year.

BUY MORE BONDS
As part of our war effort it is the job of everyone to see to it that 10% or more of the family income is going into war bonds. Buy more bonds for more escort ships so our convoys will get through.

LONE STAR GAS COMPANY

Personal Mention

Bobby Bennett, son of Mr. and Mrs. R. W. Bennett, left Tuesday for his physical examination for Naval reserve at Galveston.

Pfc. Woodrow Lowe and wife of Camp Wallace, near Houston, spent a few hours here Sunday, returning Sunday.

Mr. and Mrs. R. B. Grabow of Houston were visiting in Cameron Monday.

We don't experiment with you radio—We repair it—You pay less for our service. Anymake radio. Parma Radio Service.

Mrs. Frank L. Fazel, Jr., and three year old twin girls, Patricia Lee and Linda Dee of Mineral Wells, are here on a visit with Mr. and Mrs. Frank Fazel, Sr. Mr. Fazel, Sr., accidentally fell at his home and suffered a broken leg, is now at the Newton Memorial Hospital. He is reported as doing nicely.

Mrs. Joe Gerick, Jr., of Dallas, is visiting her parents, Mr. and Mrs. H. E. Graham this week.

Misses Judy and Iva Gene Akers who are employed at North American Bomber Plant at Dallas, left Cameron last week to begin work. Miss Louise LaCook has also accepted a position at the same plant.

We repair any make or model radio. Parma Radio Service.

Mr. and Mrs. Rudolph Zett of Granger were guests of Mr. and Mrs. Joe Bartek and family Sunday.

Mrs. J. C. Edds of Heidenheimer, was a guest of Mrs. M. Janeway at the Cameron Hotel Sunday.

W. I. Ditto of Milano was visiting in Cameron Monday.

Bobby Hays, who has been attending Schreiner Institute is visiting his parents for a few days before reporting for the Air Corps Monday, February 22.

Mr. and Mrs. Albert Crowell left for Memphis, Tenn., Thursday morning. Mrs. Crowell will return to Cameron real soon. She spent a few weeks here as her husband was to join the Navy but suffered an attack of appendicitis and was unable to leave. Mrs. Crowell is the former Miss Zell Marie Segler.

Miss Lillian Tuttle Webb, who teaches school in west Texas, is here attending the bedside of her mother, Mrs. Fannie Tuttle who is a patient at the Cameron Hospital. Prof. Tom Tuttle who is an instructor in a University in the east, is here also attending the bedside of his mother, who has been critically ill for some time.

Thomas W. Callon of Milano was visiting in Cameron Saturday.

J. B. Pond, in the United States Engineers, stationed in Canada, and who helped build the Alaskan Highway is here on a furlough, visiting his friends and his mother, Mrs. Nannie Pond. He is the uncle of Jack Pond, Jr., who lost his life when his ship was sunk some time ago in Gulf waters.

Nancy Morgan of Milano was a Cameron visitor Thursday. While in Cameron she ordered the Herald for a year.

There are 78 separate war agencies in Washington, 270 sub-agencies, 540 industry and other advisory committees, to say nothing about 298 field officers throughout the United States. And 3,902 officials right in Washington in charge of war activities.

W. C. Butler, trustee of the Fairview school district was here on business Monday.

John T. Olsen, director of the Census of the State Department of Education in Austin was in Cameron on business Monday.

Mrs. Jess Newton of Buckholts was a Cameron visitor Monday.

BUSINESS WOMEN

The Business & Professional Women's Club held regular session Tuesday night at the club rooms, the president, Mrs. Linda Perkins, presiding.

At this time the club voted to send magazine subscription to the McCloskey Hospital in Temple, for the pleasure of patients. They also voted to take charge of all boxes of cookies to be sent to the Chamber of Commerce, the first Saturday in each month, as churches are planning to cook and send them to the McCloskey Hospital. They will see that the cookies are delivered that special Saturday evening.

At the close of the program, Mrs. Lee Clore, as hostess, served a delicious refreshment plate with hot coffee and pie.

CASULTIES ARE HEAVY IN 4 DAY BATTLE

American forces in Tunisia were being driven back by the Germans and unless the British army moving in to attack General Rommel's flank, arrives in time the situation will be most critical and disaster may not be averted.

At noon the broadcast said the British 8th army may not arrive in time to save the American positions.

Heavy loss of men and materials were reported in the communication at noon. The major losses in equipment by the Americans were tanks. The Germans had captured many prisoners and much equipment and many American soldiers were killed in the violent action raging since Sunday.

The Germans have now pushed the Americans back 35 miles on the central Tunisian front and the Americans were faced with the necessity to retreat and to evacuate the valley where the Germans launched their attack and flee to the hills. This was regarded as necessary to save the army now confronting Rommel.

Heavy casualties are reported on both sides. Many hundreds of both German and American dead were said to litter the battle ground where General Rommel launched his attack Sunday.

Tuesday the Americans gained back 6 miles of the 20 lost on Sunday and Monday but Wednesday had lost 22 miles making a total of 35 miles the Germans have slashed through the American lines.

Orel is the main objective of the Red army on the sea of Azov.

The major German army is under retreat difficulties, indicating a mass exodus out of the Russian territory. Wednesday the Nazi had been pushed back from Orel to the sea.

Washington, busy thinking up more speeches to deliver, took time off to anticipate a new and growing naval show down somewhere in the mid-Pacific. The navy department said the Japs were apparently massing their fleets for a major attack.

The British Tuesday sunk 6 Axis supply ships in the Mediterranean.

Wide spread air raids over Germany and France were carried out by the RAF.

SHERIFF'S SALE

STATE OF TEXAS
COUNTY OF MILAM.

By Virtue of an Order of Sale issued out of the Honorable District Court of Milam County, on the 28th day of January, A. D. 1943, by the Clerk thereof, in the case of M. G. Cox versus Hollie Madison and wife Lizzie Madison and R. L. Batte, No. 12,116, and to me, as Sheriff, directed and delivered, I, on Jan. 27, 1943, at 4:30 o'clock p. m. levied upon, and will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in March, A. D. 1943, it being the 2nd day of said month, before the Court House door of said Milam County, in the City of Cameron, Texas, the following described property, to-wit:

The South half of lot six (6) in block three (3) of subdivision C of Henderson and Arnold's addition to the City of Cameron in Milam County, Texas, on the W. W. Lewis league, and described by field notes as follows:

BEGINNING at the S. E. corner of said lot 6 and running THENCE N. 19 E. 74 feet to N. E. corner; THENCE N. 71 W. 148 feet to stake for N. W. corner; THENCE S. 19 W. 74 feet to stake for S. W. Corner; THENCE S. 71 E. 148 feet to the place of beginning.

Levied on as the property of R. L. Batte and of Hollie Madison and wife Lizzie Madison to satisfy a judgment of said court in said cause rendered December 15, 1942, and amounting to Four Hundred Twenty-eight and 03/100 (\$428.63) Dollars with ten per cent interest per annum thereon from date of judgment, and costs of suit, and ordering said property sold and the proceeds applied upon said judgment, any and surplus, if any, paid to R. L. Batte.

Given under my hand, this 27th day of January, 1943.

SARAH WHITE,
Sheriff of Milam County, Texas.
43-3t By Will Vaughan, Deputy.

Miss Mary Hubnik who is employed at Duncan Field in the Air Corps as a mechanic, spent the week end here with Mr. and Mrs. A. C. Mitchan and other friends.

Morris Eplen, who has been attending North Texas Agricultural College is home visiting his parents and friends before reporting for the Air Corps Monday, February 22.

FOR SALE—Full blooded Poland China male hog, 8 months old. See F. M. Winkler, Cameron, Texas, Route 3.

DELPHIAN CHAPTER

The Delphian Chapter held its regular meeting Tuesday afternoon at the B. & P. Club rooms, with the president, Miss Susan Butts, presiding.

They voted to dispense with the business, and the president presented Mrs. R. L. Batte who gave a book review of the history of Gen. Douglas MacArthur, taking up the history of the MacArthur family for generations past. This was a most informative review, and was brought down to the

life of Gen. Douglas MacArthur and his work in World War 2.

Following the review, the members of the Chapter from Maysfield were hostesses and served sandwiches and hot punch. Each member was asked to invite a guest, and many had the pleasure of listening to this fine book review.

Lonzo Worley of Thorndale was a Cameron visitor Munday.

If you have a news item phone, 282.

A MESSAGE ON WASHINGTON'S BIRTHDAY

To you 3433 in the Armed Forces—our 3433 soldiers, sailors and marines—the J. C. Penney Company sends its tribute on the birthday of George Washington, our first soldier.

You come from every corner of America carrying the might of our democracy to the far reaches of the globe, bearing arms so that freedom may ring and decency reign.

Today your tools of peace are beaten into bayonets. Today you operate the weapons of war, not the machines of commerce and industry. Today you calculate not goods bought and sold, but the speed and altitude of on rushing enemy planes.

So, hats off and hats off again to you, our game and gallant 3433!

YOU'RE ALL STILL PART OF PENNEY'S!

Every one of you is still a part of the Penney Company and of the store from which you came. And you and your store and your job are vital to the America That Is To Be as well as to the America That Was.

WE THINK OF ALL OF YOU WITH CONFIDENCE AND DEVOTION!

And we hope you think of us with trust and understanding—when the victory is won and the flags are furled we'll be proud and happy to welcome you back to your family, your friends and your Penney store.

OUR RESPONSIBILITY

TO BRING YOU THE NEWS

Responsible journalism never is dictated to nor does it dictate.

An opinion is as American as the Constitution.

To print the news where and when we find it, has always been a cardinal principle with The Herald. That in large measure is why we can always visit each week in homes of more people than any other two newspapers combined in Milam county.

This old newspaper knows no master save the people. To them we owe the first obligation and to them we discharge it.

Rely on The Herald. We print the news as we find it and just as it is. That's good journalism and the thousands who read us each week tell us it's the best policy.

The Cameron

Herald

STORY OF BATAAN IS TOLD BY LIEUT ENGEL

The Peninsula of Bataan and the Island of Corregidor, in their relation to sacrifice, will live forever in the hearts of free men, as the Alamo to Texans and Thermoplae to the Greeks.

Lt. Dorothea Engel, pretty and softly speaking, told the story at Rotary, of the bitter days when the Japanese attack came in December of 1941, and the succeeding months until May when Corregidor fortress at the entrance to Manila bay with its 7000 officers and men, was surrendered.

When Bataan fell on April 9, 1942, Lt. Engel, in the Army Nurse Corps, got aboard a small vessel and went out to sea where a plane took them to Australia.

Earlier in the year she had taken passage for the Philippines. She saw the Islands fall to the Japs. Her experience in battle forms the basis of a thrilling, tragic story, recently published in American Magazine and reviewed in Readers Digest.

Lt. Engel omitted reference to her romance with Lt. Emanuel Engel, Jr., and their marriage in a jungle as the battle raged. The ceremony was performed by Father William Thomas Commings, Catholic. There was no license, no ring and only two witnesses. There in the primitive surroundings of the jungle they became man and wife. Later they were separated in battle and when Bataan fell her husband was reported missing in battle and was presumed dead.

Lt. Engel, from a fighting Missouri family, never gave up. She knew in her heart her husband was alive. In the months which followed she was resolute in her faith and was rewarded with news that Lt. Engel is a prisoner of war and alive.

The Nurse Corps of the army served with distinction and heroism with hospital facilities more than taxed to take care of men wounded in action. The Japanese bombing planes came over, deliberately bombing hospitals.

The sacrifices of the Nurse Corps was praised as one of the most heroic in the annals of war.

More than 50 Rotarians and guests heard Lt. Engel tell the story of Bataan and Corregidor. J. B. White, editor and publisher of the Herald, introduced her as one of the truly great heroes of this age.

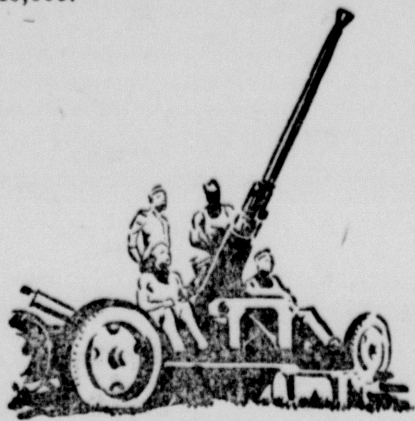

COLLECTOR COMING

An internal revenue collector will be in Cameron from March 9 to 15th to assist the people in filing income tax returns. No charge will be made for this service. Homer Nabours, county clerk, received a notice and posted the same on the court house bulletin board early Thursday.

Pvt. Ernest O. Glaser, son of Mr. and Mrs. Rudolph Glaser of Belmena is here on a 18 day furlough. He is stationed at Fort Bragg, N. C., and will return there after spending his furlough here with his parents. He is a member of the Parachute Troops.

What You Buy With WAR BONDS

The Bofors anti-aircraft gun is designed for greater range and heavier calibre than the average anti-aircraft or rapid fire gun. They are mechanically intricate and more costly. The two-gun Bofors mount costs approximately \$98,000 while a Bofors quad-mount runs up to \$140,000.

We want our fighters to have the best equipment possible and your purchase of War Bonds will help pay for these guns, giving them an advantage over our enemies. Buy War Bonds every payday. At least ten percent of your income, or as much as you can buy will help pay the war cost, provide you with a nest egg for the future, and pay you good interest.

U. S. Treasury Department

SNOW MANTEL OVER NORTH AFRICA FRONT

Snow fell over the North African battle front Friday to obscure operations and to hamper military operations.

A newscast at noon said that Hitler's failure to withdraw his armies from Tunisia apparently has sealed the doom of General Rommel's Afrika Korps.

General Rommel was falling back in good order. Heavy rains and snow were falling.

The Red army has driven a wedge between two big Nazi armies and have begun to encircle them.

Wilmshaven was battered in a tremendous sweep of RAF bombers last night.

There was still talk, though less, of an invasion.

Right of Way Tangle May Be Solved Soon

H. M. Akers across whose land the new right of way for the bridge across Little River will run, said Friday the Commissioners' Court had made an inspection and will call in the engineers for a new survey to see if the objections he has raised can be removed.

The point in controversy is the road way near the Akers home. An effort will be made to cut down the right of way instead of raising the level of the road. In this way Mr. Akers' home will not be cut off from its view of the road and valley beyond.

Construction of the piers for the bridge is being delayed because of the difficulty in obtaining the right of way.

ROMMEL ADVANCES 20 MILES IN BIG ATTACK

American lines were broken Sunday in a violent attack by the forces of General Rommel in Tunisia.

The Nazi advanced 20 miles through American lines and beyond heavy artillery emplacements, said the noon report Monday.

The Germans apparently were determined to take the initiative. Dive bombers, tanks, artillery and mechanized infantry took part in the assault on American lines which broke under the impact of the blow.

There was some indication that Rommel's attack may have the effect of nipping the so called allied offensive in the bud in North Africa.

The British 8th army was reported to be making slow progress. The Rommel attack came at a time when radio commentators were saying the week had been a momentous one. They pointed out the speeches that had been made by United Nations leaders, all except Russia where no speeches were made but heavy fighting, resulting in the capture of Rostov one of the great victories of the war.

There were no details to indicate the American units involved in the fighting in North Africa.

It was feared the Germans may have obtained a big advantage. They are reported to have had some 300,000

men and equipment ready for the final battle of North Africa. Any action there to delay invasion of Europe will give Germany time to establish a defensive line against Russia in the east.

If this strategy works there will be no invasion this year.

The Casablanca conference was paying off in reverse.

The Red army, already in possession of Rostov was gaining momentum by the hour and making sensational advances.

Local Boys In Fight In North Africa

When the Germans under General Rommel broke through the American lines in violent fighting Monday it was recalled here that a number of Milam county boys are in that area.

Lieut. Billy Wilson of Cameron's with the mechanized infantry in North Africa; Nelson Davis of Sharp, son of Mr. and Mrs. Will Davis is in North Africa; Sgt. Roy Heath, son of Mr. and Mrs. W. A. Heath of Cameron is in the battle area; Gene Knipp of Cameron is in the zone and Temple Allen of Buckholts is also there.

Pvt. Walter G. Marek of Camp Hood, on a 3 days leave, was in Cameron Tuesday visiting relatives and friends. He was born and reared at Burlington.

U S LOSES HEAVY CRUISER IN SOLOMONS

The Japanese Navy has been dealt another staggering blow in the Solomon Islands area.

A statement released in Washington Tuesday by Secretary of the Navy, Frank Knox, discloses that in the recent naval battle off Guadalcanal the Japs lost 15 ships and of this number 12 were destroyers.

The statement said the Japs lost the ships and the battle in a futile attempt to evacuate men from Guadalcanal.

In addition to the naval losses the Japs lost 60 zero fighters.

The United States navy lost the heavy cruiser, Chicago and one destroyer not named. Also 21 American planes were shot down and 3 motor torpedo boats were lost.

The cruiser, Chicago, was damaged

by torpedoes dropped from planes and was in tow by another ship when abandoned. Loss of life was said very light.

The situation in Tunisia was improved slightly Tuesday as the Americans threw the Germans back and regained 6 miles of the 20 lost Sunday when General Rommel's army launched an attack on the central front.

There was little on which hopes could be based for anything like a quick retrieve of the situation. The untired American forces were giving a good account of themselves.

The Red army was in the city of Kharkov and the Nazi were in flight from this area.

COLDER TONIGHT

Weather reports at noon said the temperature would fall far below freezing tonight with frost and freezing temperatures as far south as San Antonio.

Secretary's Note:

I have endeavored to compile in a comprehensive manner the above statement showing in detail as far as possible the financial status of the city government at the close of business, March 31st, 1942. I have in most cases shown all receipts and disbursements, particularly the major items. In some instances I have condensed smaller transactions in order to economize and save space.

As shown in the statement the total indebtedness is \$148,627.32. Of this amount \$60,000.00 is a debt against the Ada Henderson School and \$21,600.00 against the Physical Education Vocational Building (Gymnasium Athletic Building) leaving a debt of \$67,027.32 which includes Sewer Revenue Bearing Warrants in the amount of \$20,500.00. The bonds and interest on said revenue obligation are paid from collections of sewer charges, and no tax levy against the

property is made.

If there are any figures shown in the above statement that are not clear and readily interpreted, either as relates to the general fund receipts and disbursements, or various bonds, warrants, interest accounts or special accounts, I shall be very glad to explain and verify if requested to do so.

DAN TYSON,
CITY SECRETARY-TREASURER,
CAMERON, TEXAS.

RED ARTILLERY IS POUNDING ROSTOV

Russian artillery shells were blasting Rostov Monday as the Red army besieged the city on three fronts and the German plight in Russia became worse by the hour.

The Germans are in full retreat and there was talk of a new defense line at the Dnieper river. This would mean that the Reds are chasing the Germans back to Kiev and Smolensk.

Except for the German retreat there was something like a stalemate of the war. The Casablanca conference has as yet hatched nothing but medals.

The RAF blasted Naples and set fire to docks as Mussolini stood at his window and screamed.

Intensive patrol activity was noted in Tunisia and the 8th Army was in 8 miles of the defense line.

Rommel is still running. If he did not stop at the Board Walk in Atlantic City he should be somewhere near Atlanta, Ga.

The Americans are still closing in on the Japs on Guadalcanal.

TO ALL DRAFT DODGERS

We are writing a short letter, And every word is true, Don't look away "draft dodgers" For it's addressed to you.

You feel at ease, in no danger Back in the old home town, You cook up your pitiful story So the draft board will turn you down.

You never think of the real men Who leave their homes day by day, You just think of their girl friends That you can get while they are away.

You sit home and read your paper, You jump up and say "We'll Win." Just where do you get that "We" stuff?

This war will be won by men.

What do you think "draft dodgers" What this free nation would do If all the men were slackers And scared to fight like you?

We guess that's all, Mr. Slacker And your face should be awfully red, For America is no place for your kind, And we mean every word we have said.

So we're closing this letter, "draft dodger."

Just remember what we say, Keep away from our girl friends, For we're coming back some day.

The above poem was sent to the Herald by Pvt. Alfred Jistel and some of the boys who left Cameron on October 9, 1943.

Frank Cammer, Jr. Missing In Action In North Africa

Frank Cammer, Jr., of Houston, a grandson of Mrs. Cora Cammer here, is missing in action in the fighting in North Africa.

Cammer is the son of Frank Cammer, better known here as Pete Cammer, who formerly lived in Cameron and a brother of Jeff Cammer, Jack Cammer and Eldwood Cammer all of Cameron.

The family has lived in Houston for many years. Cammer volunteered from Houston. There were no details and the family was awaiting further advices from the war department.

Miss Inez Slaughter Becomes the Bride of Cpl. Yale H. Rice in Camp Hood Ceremony

The marriage of Miss Inez Slaughter, daughter of Mr. and Mrs. J. L. Slaughter, Cameron, to Cpl. Yale Harvard Rice, Signal corps, now stationed at Camp Hood, Texas, son of Mr. and Mrs. W. B. Rice of Amarillo, took place Sunday afternoon at 4:30 p. m. in the Post Headquarters Chapel, at Camp Hood. Chaplain Thomas H. Talbot performed the double ring ceremony.

The altar was beautifully fashioned of Palms and Gladiolas with double candelabras.

The bride was given in marriage by her father, J. L. Slaughter. She wore a white taffeta gown with a lace yoke delicately embroidered with seed pearls, mutton leg sleeves and full skirt. The finger tip veil of white lace was caught in a tiara of shell orange blossoms. The bride carried a colonial shower bouquet of white roses fastened to a white prayer book.

Miss Betty McKnight of Ferris, Texas, was maid of honor who was gowned in baby blue taffeta fashioned after the bridal gown and wore a miniature head dress of blue taffeta bows and net. She carried a nosegay of matching flowers. Miss Ruth Griffith and Miss Dorothy Richter of Cameron were bridesmaids and wore pink and yellow taffeta gowns similar to the bride's gown and carried nosegays of matching flowers.

Captain Ralph E. McDaniel, Signal Corps, Camp Hood, was best man. Groomsmen were W. C. Lawrence Stark and Cpl. Maynard L. Paris both of Camp Hood.

Mrs. Lawrence Stark, soloist, sang "Because" and "I Love You Truly" preceding the vows. Wedding music written by the famous Lohengrin was played for the processional and "Ave Maria" was the bride's selection for musical background throughout the ceremony.

The bride's mother wore a gown of soft black crepe and the bride groom's mother wore black lace. Both wore corsages of gardenias.

Out of town guests attending the wedding were: Mr. and Mrs. W. B. Rice, parents of the bride groom and Miss Zenna Beryl Rice, sister of the groom, all of Amarillo.

Guests from Ferris were Mrs. Ruby Wester, Mrs. Gladys McKnight and Carolyn McKnight.

Guests from Cameron were: Mr. and Mrs. Homer Plentl, Mrs. G. A. Plentl, Mr. and Mrs. Dewey McEl-

wrath and Carroll, Mrs. John Henry Wilson, 3rd, Mr. and Mrs. R. A. Plentl and children, Mrs. Frank Richter, Mrs. Frances Koenig, Mrs. Roy Griffith, Mrs. Crittenden and Thelbert, Miss Shirley Horstmann and Mr. and Mrs. Jerry Matula and baby, and Miss Dorothy Rudolph of Temple.

Following the wedding the bride's parents entertained with a reception at the Service Club on 162nd Street. Miss Martha Wester presided at the punch bowl with Miss Norene Wester presiding at the bride's book.

Mrs. Rice attended Yoe High School in Cameron and at the present is employed in the Personnel Section H. Q., Camp Hood. The bride groom attended Amarillo High School and the University of Texas before being inducted into the Army.

For her going away dress she chose an aqua wool suit with a white lace blouse, black patent accessories and wore an orchid corsage.

After a wedding trip through West Texas and New Mexico, Cpl. and Mrs. Rice will be at home at Camp Hood.

SHOWER FOR BRIDE TO BE

Mrs. Homer Plentl and Mrs. Jack Reeves were co-hostesses at a shower Tuesday night in the home of Mrs. J. L. Slaughter, mother of the bride to be, given in honor of Inez, who will be married Sunday, February 14, in the 52nd Street Headquarters chapel at Camp Hood.

Games were played during the evening and the prize was awarded to Miss Carrie Kuehl who in turn presented it to the bride to be.

Refreshments were served, consisting of hot punch, cookies and buttered pecans, to close friends and relatives of Miss Slaughter. Plate favors were small American flags and the color scheme was red, white and blue.

Many lovely and useful gifts were presented to the bride to be.

Miss Slaughter is the daughter of Mr. and Mrs. J. L. Slaughter.

Woodrow Crawford, former Yoe-men football star, famous No. 22 is in the signal corps of the army and stationed in Oklahoma City. Another brother T. A. Crawford, Jr., is in Austin in a government military school. Both are sons of T. A. Crawford of Cameron.

You get perfect fitting garments or you don't pay.

J. P. WERNER

MARRIED AT CAMP HOOD

Miss Gladys Darwin of Cameton and Lt. J. Hanson were married at 2 p. m. Friday, February 5, 1943. The marriage took place in the Post Chapel with Chaplain Benson reading the rites.

Mrs. Charles van de Putte of Killeen played the music for the wedding. Miss Clara Sellers of Cameron was maid of honor and Lt. Charley Levins of Philadelphia was best man. Lt. Hanson and also Lt. Levins are stationed at Camp Hood.

The bride's corsage was of gardenias and Miss Sellers wore Talisman rose buds.

Citizens of Killeen, officers from Lt. Hanson's post and members of his company were guests at the wedding.

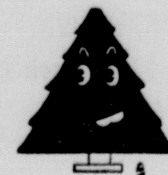

The happy couple went to Dallas for a short honeymoon after which they will make their home in Killeen.

TODAY'S IMMORTALS

The following young men have left Cameron to serve in the United States Army. Their many friends wish for them good luck and a safe return:

Eugene B. Markham, Harold L. Hollaway, Allen B. Hairston, Henry P. Horelica, Judge Mitchell, Frank N. Cavazos, Earl R. Humbird, Monroe Corbin, Cecil J. Allison, Wilfred C. Hill, Alton A. Harber, Edgar L. Harris, Albert Sheguit, Anton P. Reinners, Alvin L. Mullinax, Thomas M. Hickman, Hugh C. Eanes, George M. Walker, Buren V. Gann, Leo Krensk, Glyn Phipps, Von W. Hickman, Edwin Zajicek, John H. Brantley, Frank J. Tepera, Byron L. Graham, Archie W. Shuffield.

C. H. Bailey of Rosebud was visiting in Cameron Thursday. While in the city he renewed his subscription for another year.

INSURANCE

The Verdict of the Years is Satisfaction

"TIME TRIED AND FIRE TESTED"

Insurance is not an Expense—It is an Investment in Security!

That Extra Something!
... You can spot it every time

Andre Kostelanetz, in "The Pause That Refreshes On The Air", broadcast every Sunday afternoon for Coca-Cola, brings you music with distinction. His listening audience is counted in millions. It's the extra touch Andre Kostelanetz gives to music that gives this program a character all its own. Coca-Cola, too, won distinction by giving folks something extra in refreshment.

Raise a frosty bottle of Coca-Cola to your lips. Where else than in Coca-Cola itself will you find this unique taste? It more than quenches thirst. It adds refreshment . . . refreshment that goes into energy.

Fifty-seven years of experience and skill, with choicest ingredients—create a quality in Coca-Cola that never loses the freshness of its appeal.

Wartime limits the supply of Coca-Cola. Those times when you cannot get it, remember: Coke, being first choice, sells out first. Ask for it each time.

Intermission for musicians means a trek to the Coca-Cola cooler. These artists look to the pause that refreshes for quick energy, complete relaxation. Ask your musician friend what drink he prefers!

The best is always the better buy!

FUNERAL SERVICES FOR MRS. LOU D. BLANSETT

Funeral services for Mrs. Lou D. Blansett were held on Saturday Jan. 30, 1943, from the Yarrellton Baptist Church.

Mrs. Blansett died in Cameron on Friday January 29, 1943. She had been in ill health for several years. Her condition became more critical in the immediate few days prior to her death when she was brought here for treatment.

Mrs. Lou Deila Blansett, was born on July 18, 1876, in Cass county, Texas. Her parents were pioneers from Mississippi. She grew to young womanhood in Cass county where on November 19, 1893, she was married to George Washington Blansett, who survives her. In December of that year they came to Milam county to establish their home. They settled at Ad Hall and Salem and Mr. Blansett began farming on the Bob H. Nabours land.

In 1879 they moved to Yarrellton on the land which at that time was owned by the late Dr. W. T. Mowdy and here he farmed for years. When the children grew up and moved away from the old home Mr. Blansett operated a blacksmith shop in Yarrellton for 12 years but in recent years has not been very active. On November 19, 1943 they would have been married 50 years and had planned to celebrate their golden wedding anniversary.

Mrs. Blansett united with the Piney Grove Baptist church at the age of 16 years in Cass county, near the city of Atlanta, Texas. Both were mem-

bers of the North Elm Baptist church, uniting there in 1904.

Mrs. Blansett was operated on in 1938, in a Temple Hospital and had received treatment there much of the time since.

When the funeral hour came Saturday, January 30, 1943, hundreds of friends and neighbors gathered at the historic church where Rev. M. A. Harshall, Baptist minister from Houston, conducted the services. A son of the family is a member of the church in Houston of which Rev. Harshall is pastor. Interment was made in the North Elm Cemetery where two children were buried in 1904, one an infant and the other a girl of two and a half years. The Green Funeral Home in Cameron conducted arrangements.

Mr. Blansett came to Texas from Alabama and is a pioneer in this state and in the Yarrellton community.

Surviving are, besides her husband, 3 sons: Jerry of Corpus Christi, Marion of Houston and Walter of Goose Creek, 1 daughter Mrs. W. G. Lock of Temple; her father, H. A. Porter, 5 brothers: Will of Winters, Ollie of Winters, John of Seattle Washington, Henry of Tuscola and D. D. Porter of Colorado City; 1 sister, Mrs. A. A. Baker of Aransas Pass, 15 grand children and 2 great grand children.

Pall bearers were: J. R. Lott, Joe Ford, C. G. Colburn, J. A. Mann, W. A. Wilkerson and Rodney Baker.

CARD OF THANKS

We want each one of our neighbors and friends to know of our deep gratitude for their kindness and assistance to us during the recent fatal illness and at the death of our dear wife and mother, Mrs. Lou D. Blansett. Your assistance and sympathetic understanding was of great comfort to us in these trying hours. May God bless each one. We thank those who gave flowers to express their sympathy and all who in any way assisted us.

George W. Blansett and Family.

Editor's Note—Delay in the publication of this notice and card of thanks is due entirely to the publishers. Mr. Blansett is in now way to blame for the delay.

Mr. and Mrs. Phillip Russell of Dallas and George Hefley of Houston were visiting in Cameron over the week end.

What You Buy With WAR BONDS

Women at War today are saving for Women at Peace when the War is won. They are buying War Bonds as thrifty housewives, saving to buy those handy, convenient and necessary electrical appliances when their Bonds mature.

Women know that money saved now will help win the peace, putting their menfolk to work in our domestic factories when the war is over. They know purchase of War Bonds today will help their family and the whole country tide over the readjustment period from War to Peace.

U. S. Treasury Department

Harold Fisher Now Enrolled in School To Become Machinist

Harold Fisher of Hanover has reported to the government NYA school at Gladewater where he is to become a machinist and to aid in the war effort.

Harold, 17, is the son of Mr. and Mrs. F. B. Fisher of Hanover. He reported there on January 10th.

In letters to his parents and friends he says he likes the school very much and has made good progress. He would have finished high school this year but left to enter the war effort and hopes to make his contribution and to improve his advantages in the school.

Harold is a hard worker and has been complimented by his instructors at the school. He will soon graduate to an army maintenance center for aircraft and other machines.

POINT RATIONING TO BEGIN ON FEBRUARY 24

Registration for point rationing processed foods, canned, bottled and in jars, which will open in Milam County, February 24, 1943, will be simple and quickly accomplished if the house holders and individuals who must file Consumer Declarations in order to obtain War Ration Book 2 will prepare their Declarations before they go to the registration site, Mr. Perry, Chairman of the Local War Price and Rationing Board declared today.

"The volunteer organization which will assist the Board has been carefully instructed in its duties, Mr. Perry said.

"Here are the things to do to be ready to get the new books:

"In every household, someone must count the cans, bottles and jars 8 ounce size or larger of fruits and vegetables, on hand at midnight, Saturday, February 20. That will be a Sunday morning task in some homes. The count must include canned fruits, canned vegetables (including spices) fruit and vegetable juices, soups, chili sauce and catsup. Take from the total five cans for each member of the family. The new total must be reported on the Declaration form, or if there are no more than five cans each, the report will be 'None.'

"These are not to be counted: Canned olives, canned meat and fish, pickles, relish and jams, jellies and preserves, spaghetti, macaroni and noodles, home-canned food, if not canned for sale.

"Persons who are not living as members of their family group must make their own Declarations and get their own ration books. Domestic help is not a part of a family.

"Official Declaration forms will be printed in nearly all newspapers and should be clipped and used for making the formal declaration. Be sure to write in all the information asked for on the Declaration.

"Coffee on hand November 25, 1942, must be declared, minus one pound for each person whose age stated on Book 1 is 14 or over.

"Remember to take Book 1 of all persons listed on a Declaration to the registrars when applying for Book

2. No Book 2 can be issued unless Book 1 is presented at the place of registration for 'tailoring.'

Commercial Vehicle Operators to Get Interviews Here

For the convenience of commercial motor vehicle operators who seek adjustments on their Certificates of War Necessity, Ray Beene, field examiner from the Waco ODT district office, will visit Cameron on Saturday February 20, L Van Perkins, manager of Cameron Chamber of Commerce announced.

Mr. Beene will be available at the Cameron Chamber of Commerce office for the convenience of operators who wish a personal interview on their problems.

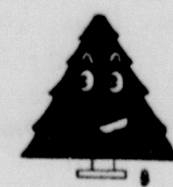

Requests for adjustments should be made promptly by those operators who find their mileage and gasoline

allotments insufficient. Mr. Beene said. Operators are urged to estimate carefully their needs and ask for no more than is absolutely necessary.

Failure of commercial vehicle operators to get their tires inspected immediately may result in an expensive delay when the last minute rush starts to meet the February 28 deadline, it was pointed out. Crowding of inspection stations at the last minute with resultant delay in necessary operations for many vehicles cannot be avoided except by prompt action.

Milam county is third in egg production in Texas. Several years ago the Herald gave the county a slogan, "the egg basket of central Texas." Now we have another fine record. Milam county is second in the number of beef cattle under feed.

CASH for your used cars and trucks. See Hefley-Stedman Motor Company. 30-1f

THE GOAT THAT HIDES IN A CAVE

Malta is a little rocky island in the Mediterranean Sea not so very far from Italy. It is the most bombed place in all the world because the Axis seeks desperately to wrest it from England.

There are farmers in Malta, as there are farmers in America. They lead a dangerous life; work when they can and hide when they must. Even the goats have learned to scamper for the caves when the planes are overhead.

We who are free and independent farmers—how would we like to live and work with such terrible odds

against us? That is why, as we sell our crops and milk and eggs, we must buy Bonds. We must buy Bonds to the full limit of our ability.

There is another very good reason for buying Bonds, aside from helping to win this war. They are a real investment backed by the strongest government in the world. They return a third more than you pay for them in ten years. They never depreciate in value. And you can always cash them after sixty days if you need the money. Buy Bonds now... keep on buying—from your bank or post office.

Co-operation

To obtain the maximum of service in a time of great national need this bank stresses co-operation.

Growing in strength and usefulness this bank is destined to play an increasingly important part in the lives of our people because their financial needs are highly important and we DO discharge our obligations to our friends and depositors.

MAKE EVERY MARKET DAY BOND DAY

WASHINGTON By CONGRESSMAN POAGE

The past week will doubtless be known as "investigation week" in Congressional history. The House has not only continued the Dies Committee, but both Houses have created a number of new committees to investigate the activities of various departments of government. I think that this is a good healthy sign. It shows that Congress is determined to get first hand information relative to the activities of the administrative branches of government. While Congress itself has no power to conduct the actual administration of the government bureaus, this being under our Constitution the function of the Executive, it must inform itself of the activities of these agencies if it is to intelligently pass on their requests for appropriations. In the past the Congress has depended too much on the reports made to it by the agencies themselves.

There was a most bitter fight made against the continuation of the Dies Committee. It was charged that the Committee very rarely, if ever, gave a person accused of un-American activities any chance to appear in his own defense. There is undoubtedly some justification for this charge, but it seems to me that the Congress has

it within its power to minimize this evil by accepting the action of the Dies Committee as the action of a Grand Jury only and not as a conviction in a court of justice. I wish the Dies Committee would be more careful in its action. I think it has been guilty of some inexcusable blunders recently when it listed certain individuals as being un-American slackers occupying important positions in governmental departments when the facts developed that in one or two instances at least the men named were not employed in the departments, but were actually in the armed services offering their lives at the time. These mistakes have not been numerous, but they could have all been avoided if the Committee had taken the trouble to call on the accused to present his defense before branding him as un-American.

On the other hand, if its charges are always considered as indictments to which the accused shall have an opportunity to answer, its work is very helpful in preventing sabotage. I, therefore, voted to continue the Committee. At the same time I voted not to remove all of those Federal employees who were charged by the Dies Committee with wrong doing until they were offered an opportunity to present their side of the case to a new committee which the house set up for that purpose. I simply don't believe in condemning or judging guilty any man until he has been given an opportunity to offer his defense. The

Dies Committee had not given this opportunity. It will only take a few days to bring them before the newly created committee. This committee is instructed to listen to both sides. I supported the creation of this committee to sit as a kind of court to try the charges filed by the Dies Committee.

In addition to this new committee to "try" employees, the House created and I voted for another committee to investigate any charges that any bureau, department or agency was administering the law contrary to the intent of Congress. As I see it, this committee is likely to have its hands full. I think I could point out enough abuses to keep this committee busy for a year, and I know other members have had a similar experience. In addition to this check on the bureaus, we authorized the Appropriation Committee to conduct its own investigations of the expenditures of various departments.

The House finally passed a bill authorizing a merger of the Postal and the Western Union Telegraph Companies. This measure has been pending a long time. It had previously passed the Senate. The bill presented to the House would have abolished the preferential rate which the United States Government has long enjoyed in return for the substantial grants of right-of-way, land, timber and other properties heretofore made by the Government to the Telegraph Companies. The situation is very similar to the "Land Grant" rates accorded the Government by certain railroads. The very same members proposed to wipe out these favorable government telegraph rates are the same individuals who have so long struggled to give away all of the advantages the government has enjoyed in regard to railroad rates on those lines that the government helped to build. I have always fought this effort to take from the government the favorable railroad rates, and I offered an amendment to the telegraph bill to protect the government. After spirited debate my amendment was adopted. If my amendment is accepted by the Senate, it will save the government more than \$4,000,000 per year.

TEXANS LET'S
TALK TEXAS

Texas farms are as vital to Victory as the factories which produce guns, munitions, planes and ships. Texas farmers can produce more Food for Victory than the farmers of any other state in the Nation by: co-operating wholeheartedly with the Nation's Food Production and Conservation Program; planning bigger food crops than ever before; planting bigger gardens to provide more of their own food with a surplus for others, and by working and planning together to make the fullest possible use of existing machinery and man power.

Texas Power & Light Company is co-operating with Texas farmers... helping them in a very practical way through its own War-Time Farm Service Program. Representatives of the Company are "on the ground," assisting these farmers in meeting the larger food production goals needed for Victory!

POWER TO WIN!
Texas Power & Light Company provides Electric Service adequate for every military and civilian need within the 52-county area it serves. The Company serves more than 25,000 farm and rural customers.

DAY BY DAY Things We Want To Say

SHABBY CITIZENSHIP

The shoe-rationing order has brought a splurge of buying by those who anticipate an extension of the order to other lines of clothing. In fact, a leak of information on shoe rationing in Washington, New York and some other places brought a deluge of shoe-buying before the order could be delivered to retailers. Black markets are reported by the Associated Press in many parts of the country. Chicago packers report so much diversion of meat to black markets that they cannot fill Army-Navy and lend-lease orders.

There is an ill omen in these things which should be appraised honestly and candidly. This nation, in its war effort, will stand or fall according to the success of its war program among its civilian population—the fighting men can be depended upon to do their part. And this war program among the civilians is going to stand or fall according to the willingness of the people to abide by it. Arbitrary enforcement of laws and administrative orders will not do it. Sheer enforcement may have worked in the dictator countries, and even in democratic Great Britain. But in all of these

countries, including England, observance of law is a vastly more respected tradition of citizenship than it is in this country. Further, the compactness of these countries geographically and the homogeneity of population make enforcement less of a problem. Again, their actual contact with the horror of war makes them willing compliers, with few exceptions.

In our big loose-joined country, where the civilian population has not heard the boom of cannon or the crash of detonating bomb, enforcement is not going to be simple. While the war shadows are still dark, there will undoubtedly be a fair degree of compliance, as there is today. But as the skies clear and optimism rises, the black market and other forms of evasion will increase unless the people are brought to a full appreciation of their responsibility to maintain a Spartan spirit of sacrifice.

Few Americans are chiselers at heart. But there is a large bloc that will follow the lead of a few in the temptation to return to the old ways of self-indulgence. Every effort ought to be made to nip these chisling practices in the bud. The enforcement officials should "crack down," of course, but there is even more urgent need for the great body of American citizenry to take an uncompromising attitude toward all violators of both the letter and the spirit of the war program. Nothing will do more to shorten the war. Nothing will do more to save the lives of thousands—of our youth on the field of battle.—Dallas News.

Hollie C. Baldrige Discharged; Comes To Work on Farm

Hollie C. Baldrige, inducted in service last year, has been discharged from service and has returned to the Richards farm near North Elm.

Pvt. Baldrige is past military age but was discharged on the condition he returns to the farm. He is the first such service man to be discharged here.

Mr. and Mrs. H. Dörner of Sharp were in Cameron Saturday.

J. C. McKeehan of Houston was in Cameron on business Thursday.

REPRESENTATIVE GREEN SCORES EARLY TRIUMPH

Representative A. N. Green was being congratulated Saturday on an early success in the Legislature.

Mr. Green is author of House Bill No. 6, which in brief provides a home for senile persons in Texas and is a remedy for which the press has been clamoring for years.

By the simple enactment of a law to take over Confederate Home property and with an appropriation for new construction these unfortunate people can be taken out of Texas jails and placed in modern surroundings and given treatment and restored.

In no way does the bill interfere with the comforts of the Confederates who wish to go to the home. On the contrary it vastly expands the facilities for their care and comfort and also admits of use of the improved property of veterans groups who may need this sort of haven.

Mr. Green said his bill which has

now become a law received the unanimous support of both House and Senate. It provides for an appropriation of \$147,145 only.

Already such papers as the Dallas News has commended him for this bill. It goes a long way to correct the abuse of retaining senile people in jails and hospitals when they might have the benefit of better surroundings.

A new member of the House, Mr. Green has made many friends and occupies a place of influence among its members.

Mr. Green has made it a practice to study legislation introduced. He has more than once succeeded in defeating bad bills and proposes to do much of this kind of service.

Representative A. N. Green arrived home Thursday to spend the week end with home folks. Miss Louise Green, daughter of the family, was due to arrive in the city Friday from the east. She is quite ill.

SHERIFF'S SALE STATE OF TEXAS COUNTY OF MILAM.

By Virtue of an Order of Sale issued out of the Honorable District Court of Milam County, on the 28th day of January, A. D. 1943, by the Clerk thereof, in the case of M. G. Cox versus Hollie Madison and wife Lizzie Madison and R. L. Batte, No. 12,116, and to me, as Sheriff, directed and delivered, I, on Jan. 27, 1943, at 4:30 o'clock p. m. levied upon, and will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in March, A. D. 1943, it being the 2nd day of said month, before the Court House door of said Milam County, in the City of Cameron, Texas, the following described property, to-wit:

The South half of lot six (6) in block three (3) of subdivision C of Henderson and Arnold's addition to the City of Cameron in Milam County, Texas, on the W. W. Lewis league, and described by field notes as follows:

BEGINNING at the S. E. corner of said lot 6 and running THENCE N. 19 E. 74 feet to N. E. corner; THENCE N. 71 W. 148 feet to stake for N. W. corner; THENCE S. 19 W. 74 feet to stake for S. W. Corner; THENCE S. 71 E. 148 feet to the place of beginning.

Levied on as the property of R. L. Batte and of Hollie Madison and wife Lizzie Madison to satisfy a judgment of said court in said cause rendered December 15, 1942, and amounting to Four Hundred Twenty-eight and 03/100 (\$428.03) Dollars with ten per cent interest per annum thereon from date of judgment, and costs of suit, and ordering said property sold and the proceeds applied upon said judgment, any and surplus, if any, paid to R. L. Batte.

Given under my hand, this 27th day of January, 1943.

SARAH WHITE,
Sheriff of Milam County, Texas.
43-3t By Will Vaughan, Deputy.

J. W. Garner of Rockdale was a Cameron visitor Friday.

FOR SALE—Dairy calves, varieties in milk and beef stock. Raise a cow or beef and aid the war effort. Coy Shuffield, west side football field, Cameron. 4 f

Bring In the Knives

The boys in the South Pacific want your old hunting knives and sportsmen knives regardless of the shape they are in, as long as they are sharp and sturdy. Any type of hunting or skinning knife with a blade at least four inches long will do. These knives are wanted for jungle warfare.

Send or hand them to S. E. Brogdon at the earliest time possible so that he may forward them to the proper address.

The boys in Africa must have more old scrap iron to win the fight so please see that no material the boys can use lies idle in your neighborhood. Let him know about it or sell it to a junk dealer.

Also, Mr. Brogdon calls your attention to dead animals such as horses and cattle. The Temple Rendering Company will come after all dead animals weighing at the minimum weight of seven or eight hundred pounds.

F. B. I. Front Is Big Feature March Time Picture Feb. 18 and 19

March of Time, always an eagerly anticipated film feature at Cameron Theatre devotes its reel this month to "The F. B. I. Front."

This sensational feature length picture will be shown at the Cameron Theatre for the last time Friday and is on today and tonight.

See how the F. B. I. fights its secret battle against Axis agents and how wartime G-men combat enemy saboteurs.

AVAILABLE AT ONCE nearby Rawleigh Route. Good opportunity. Trade well established. Route experience helpful but not necessary to start. Write at once. Rawleigh's Dept. TXB-109-102, Memphis, Tenn.

RED CROSS QUOTA IS \$4700 FOR COUNTY

Milam county's Red Cross quota is \$7400.

The war Red Cross drive will begin on March 1st. This will be the only solicitation by the Red Cross until October and none of the national fund drives will occur as all are to be in the Community Chest drive this winter.

J. M. Boehner and Mrs. Boehner and F. G. Blake were in Waco for the 35 county meeting held last week. They heard Mr. Feisser, Vice National Chairman of the Red Cross.

Mr. Blake is the chairman for the quota fund drive in Milam County.

Stidham Says He Was Mistaken About New Bridge Right of Way

Grady Stidham, county commissioner for Precinct 2, said he had been mistaken about the details of the right of way for the new bridge across Little River.

H. M. Akers, owner of the property across which the right of way runs, west of the river, had asked \$6000

damages. Saturday the members of the court went out to look over the situation.

The report is that there has been much confusion, that two sets of plans were in the picture and the state engineers say that the road bed must be raised some 5 feet or over and that will obscure the Akers home and in addition Mr. Akers will have no entrance to his property from the east.

Mr. Akers may ask for more than the original sum. Mr. Stidham was under the impression the road would not be raised over 1 foot.

\$43.60 Realized For Paralysis Fund Here

Joe Kotrola of National Hall has reported on the amount of money raised here for the national fund for cure and prevention of infantile paralysis from the President's Birthday Ball.

The ball was held at National Hall and proceeds from the dance netted \$33.60 and \$10 from the sale of a cake making a grand total of \$43.60.

Mrs. August Horstmann baked and gave the cake which was sold at auction and purchased by Bill Richter, Grand Prize beer distributor for \$10.

Mr. Kotrola extends his thanks for the co-operation and help on behalf of National Hall.

F. G. BLAKE SAYS RED CROSS QUOTA MINIMUM

F. G. Blake, roll call chairman for the Milam county chapter, American Red Cross says that the quota \$7,400 for the county is a minimum and the plan is to raise more than this sum.

In a letter to the Herald Mr. Blake advises that the quota has been funds will go for national and interest for the county. \$6,000 of the national needs while the approved chapter allotment is \$1,400.

The drive starts on March 1 and the plan is to exceed the figures shown in the quota.

Appraisal Committee To Meet Thursday On Right Of Way Values

Construction was awaiting action of the County on obtaining the right of way for the new bridge across Little River and the committee on appraisal of the value of the property was to meet Thursday.

The committee named by the Commissioners' Court is as follows: J. E. Flinn, Hayden Lawrence and Albert Matula.

H. M. Akers near whose home the right of way will run has asked heavy damages because of his location. A dump five and a half feet high will be thrown up in front of his home and increases in height as it runs toward the bottom. Mr. Akers will also lose a major portion of his drive to his home and will have no outlet to his property south of the highway unless a tunnel is built under the road or access is had near the Leake home several hundred yards away.

Mr. Akers is attempting to induce the engineers to lower the right of way and avoid damage to his home.

DANCE

Saturday night February 20, 1943, at National Hall in Cameron. Music by the Moonlight Serenaders. Come, enjoy the evening and be our guests.

August Zavodny and Miss Nora Lee Havelik were united in marriage Saturday morning at the home of Judge and Mrs. Jeff T. Kemp, Judge Kemp reading the ring ceremony. They were accompanied by the bride's parents, Mr. and Mrs. Henry Havelik, of near Rogers. The bride is a graduate of Yoe High School of Cameron, and has many friends here. The bride groom is stationed at Fort Riley, Kansas.

15 Per Cent Credit On Good Fire Record

Austin—A good fire record credit of 15 per cent will apply to fire insurance premiums on policies written in Cameron for 12-months beginning March 1, it was announced today by Marvin Hall, State Fire Insurance Commissioner. This will result in a direct saving on fire insurance as 15 per cent of the normal premium will be deducted on policies written after the effective date.

The 15 per cent credit will result in an estimated saving of \$4,353 on fire insurance costs for Cameron policyholders during the next year. The estimate is based on fire insurance payments in 1942. A 15 per cent credit has been in effect for the past year.

The fire record for a city or town is determined by a fixed ratio between losses and premiums figured on a five-year average. The maximum good fire record credit is 25 per cent. The maximum charge (or penalty) for heavy losses is 15 per cent.

Miss Mary Hubnik who is employed at Duncan Field in the Air Corps as a mechanic, spent the week end here with Mr. and Mrs. A. C. Mitchan and other friends.
